It appears that someone did the re-mail today. This is not proper because this application is abandoned by the operation of law (statutory period of six months has been expired), and applicant must file a petition to w/d holding of abandonment under 37 CFR 1.181 and follow the process as stated in MPEP 711.03(c) "failure to receive Office Action". I will bring this to Verlene Green attention.

Good Moring, Vincent,  
I stopped to your office, but your were out. *would like to see you about this application, which is now in abandonment list. But the attorney of record said he has not received the Final action dated 04/05/2006 with the reason as below. I will send notice of abandonment after seeing you.*

Dear Examiner Ly:

Please note from the screen shots below that the office action was returned to the USPTO as undelivered. I note that the address for the office action is correct. I am unsure as to why it was returned as undelivered. Our records indicate that we did not receive the office action. Thanks.
